

Subscription Course Access and Learning Path Directions

To access your subscription, click on the menu button in the top right-hand corner, then click on subscription home from the drop-down menu.

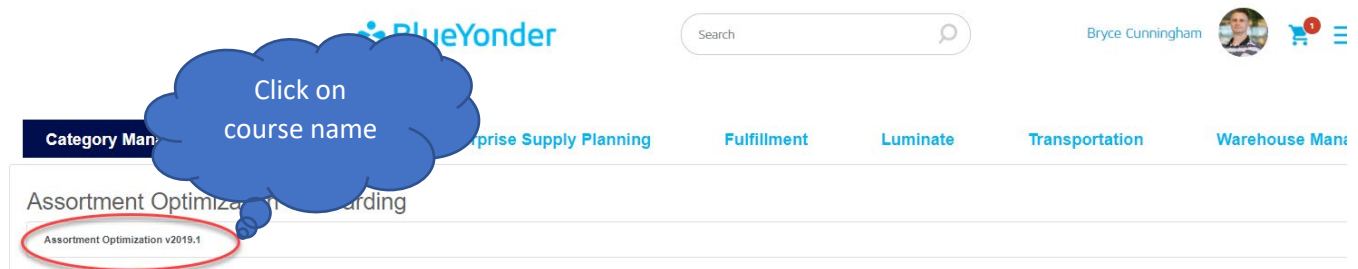

Subscription Page Navigation

- The top tabs show the different subscriptions that Blue Yonder Education Services offers. Please click on your product subscription.
 - Please note you will **only** have access to your subscription courses.
- Each subscription has a series of learning paths, starting with onboarding, for some products functional and then to technical.
- To view the courses related to those topics, click **view courses** to the right of the screen.

- The courses will then display in the page below.
- Click on the course you would like to view under the product title.

The course will open up

Opening Curriculum.

Once you have picked the course you would like to start with in the learning path, **click Open Curriculum.**

- **Click Open Curriculum**
